

How to cite our products and website in your upcoming paper or presentation

Our company name is Ceres Nanosciences

Our website URL is www.ceresnano.com

Our brands include: Ceres Nanosciences, Nanotrap® technology, Nanotrap® particles

The product name would be the brand (e.g., Ceres Nanosciences) + (product line name) + (descriptor of what the product is).

If the author guidelines (published by the journal or publication for which you're writing) request a location, you can check the label of the product you are referencing or use our corporate headquarters, which is Manassas, Virginia, USA.

Acknowledgments

We pride ourselves on our collaborative approach to supporting our customers. If you'd like to include us in your acknowledgment section, you can reference the Ceres employee who worked with you by name.

List of Products

First reference to a product	Subsequent references within the same document	Description for materials and methods
Nanotrap® Virus Capture Kit (50)	Virus Capture Kit	10 ml of Nanotrap® Lyophilized Magnetic Virus Particles (50 x 0.2 mL), SKU# 44250
Nanotrap® Virus Capture Kit (10)	Virus Capture Kit	2 ml of Nanotrap® Lyophilized Magnetic Virus Particles (10 x 0.2 mL), SKU# 44210
Ceres Nanosciences Nucleic Acid Extraction Kit	Nucleic Acid Extraction Kit	Ceres Buffer A (5 mL), Ceres Buffer B (40 mL), Ceres Buffer C (25 mL), Ceres Extraction Tubes (50), SKU# 88020
Nanotrap® Protein Discovery Kit	Protein Discovery Kit	Nanotrap® White Protein Particles (0.3 mL), Nanotrap® Blue Protein Particles (0.3 mL), Nanotrap® Azure Protein Particles (0.3 mL), SKU# 33200
Nanotrap® White Protein Capture Kit	White Protein Capture Kit	Nanotrap® White Protein Particles (1 mL), SKU# 33210
Nanotrap® Blue Protein Capture Kit	Blue Protein Capture Kit	Nanotrap® Blue Protein Particles (1 mL), SKU# 33220
Nanotrap® Azure Protein Capture Kit	Azure Protein Capture Kit	Nanotrap® Azure Protein Particles (1 mL), SKU# 33230
